

## Familia Gascón Roble Red Blend.

# FAMILIA *Gascón* ROBLE

**OVERVIEW:** A line of young wines with a light touch of oak, which express the personality of the fruit and their terroir in a balanced way. These are versatile wines, ideal for pairing with a wide range of dishes, maintaining a balance between fruit, structure, and smoothness.

**GROWING & HARVEST CONDITIONS:** This wine is made with grapes sourced from vineyards located mainly in the Primera Zona. Influenced by the winds descending from the Andes Mountains and its lower altitude, this region is one of the coolest areas in Argentine viticulture and often suffers from late frosts during bud break. These conditions also favor great thermal amplitude. Most of the vineyards are old and traditionally irrigated, with relatively heavy and deep loamy soils.

The 2024 season was characterized by a mild spring with some late frosts towards the end of October and early November. The summer was dry with high temperatures in January and February, with no major climatic complications. This resulted in healthy vines with no sanitation issues, very high quality, and excellent ripeness. The harvest was delayed by about 10 days compared to previous years, leading to an overlap in the harvest of red grape varieties from different wine regions of the province, resulting in balanced wines.

**GRAPE VARIETY:** Blend of five grapes: 25% Tempranillo, 25% Syrah, 25% Bonarda, 15% Malbec and 10% Cabernet Sauvignon.

**VINEYARD REGION:** Primera Zona, Mendoza.

**WINE ANALYSIS:** Alc/ Vol: 13,9%.

**MATURATION:** Aged in French and American oak for 6 months.

**SIGHT:** Red color.

**NOSE:** Aromas of ripe red fruits combine with hints of vanilla and coffee from its oak aging.

**PALATE:** Smooth with round tannins and medium acidity. Good balance between fruit and some toasty notes from oak aging.

**PEAK DRINKING:** 4 years.

**LAST HARVEST:** 2024.
